

Helios Capital reveals the logo for Helios Mutual Fund:

Helios Capital Asset Management (India) Private Limited (Helios India) revealed the logo for Helios Mutual Fund in line with its new plans to be the Investment Manager for the fund.

Helios Capital Management Pte. Ltd. (Helios Singapore), parent of Helios India, has recently received the final registration from the Securities and Exchange Board of India (SEBI) to commence its mutual fund operations under Helios Mutual Fund in India.

Revealing the logo, Dinshaw Irani, CEO Helios India said on the occasion: "We are excited to present Helios Mutual Fund's logo to the world.

Investors look for mutual fund products for their various financial needs from saving for retirement to saving for children's education or saving for wealth creation and achieving financial independence. We want to cater to investors with different medium to long term investment horizons and the tag line "Har term ke liye" encapsulates that very succinctly".

Samir Arora, Founder Helios Singapore, said: ". In my view, the long-term performance of financial products sometime does not meet the set expectations. In real life, long term is just a series of short and medium terms. The tag line "Har term ke liye" is also in line with Helios investment philosophy that strives for reasonably consistent performance across time to achieve long term goals".
